
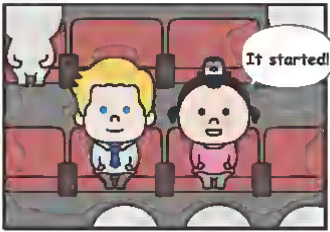
One day,
I met Mev after he finished work
and we went to the cinema.

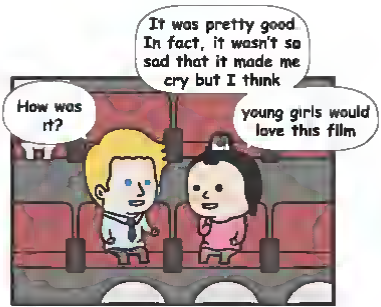
The movie was a sad love story about
a boy and a girl who got cancer.

But a romantic film is my least favourite and...

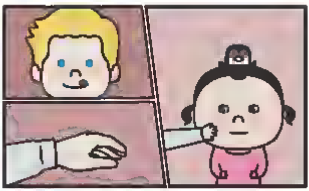
... Mev is a man.



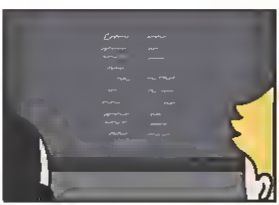
Anyway the movie started.



Before the lights turned back on
we shared our opinions about the movie.



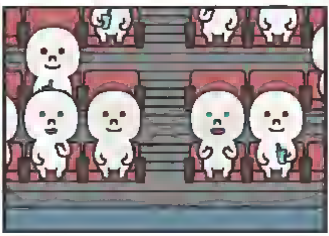
Of course, during the movie,
Mev didn't miss checking
if I was crying or not.



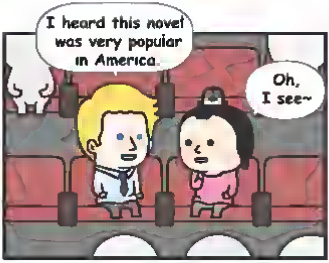
Finally the movie ended.

LOL LOL

I'm a
tough guy.



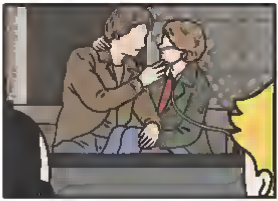
But there were many teenage girls.



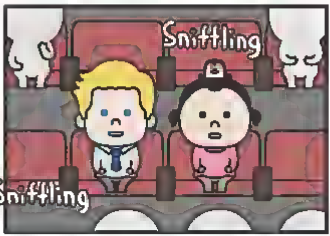
We love watching films so we joined a membership with the cinema and go very often.

I didn't expect there to be many people at the cinema as it was 5pm on a weekday.

A Sod Movie



The movie was happy but sad
and calm but tense



When the movie was nearly over
I could hear many girls sniffling.

Mev pretended like
he was crying for a joke.

Then, I heard it.
